The greatest super-hero comic of all time — now a major motion picture directed by Matthew Vaughn and starring Aaron Johnson, Chloe Moretz and Nicolas Cage! Have you ever wanted to be a super hero? No, I mean *REALLY* wanted to be a super hero? Dave Lizewski has — but unlike you or me, he's not willing to let it stop with simple daydreams. Designing a suit for himself, and taking the name "Kick-Ass," Dave decides to make his dream a reality — and maybe even help some people in the process. But with no special powers and outmatched by New York City's most hardened criminals, Kick-Ass might be in for a little more than he bargained for. With his super-hero secret identity gaining more and more fans due to a popular viral video, and other masked vigilantes beginning to make their presence felt in the city, Dave knows that his extracurricular activity is dangerous, maybe even stupid — but he's got the itch, and it ain't going away. "The Man in Black fled across the desert...and the gunslinger followed." With those words from a short story published in The Magazine of Fantasy and Science Fiction, Stephen King launched one of the most seminal characters in his lifetime of writing into a destiny fraught with danger, death, triumph and loss. In the almost thirty years since that momentous occasion, King introduced millions of readers to the densely textured realm of Mid-World through his magnum opus, the Dark Tower series of novels. King joined with Marvel in 2007 to bring his masterwork of fantasy to a new generation of readers. Adding stunning new textures to the mythos of Roland and Mid-World for four years, the initial arc of King and Marvel's union is now complete, and the entire run is collected here. ANITA BLAKE, VAMPIRE HUNTER: CIRCUS OF THE DAMNED BOOK 1 — THE CHARMER TPB

**Written by LAURELL K. HAMILTON
Penciled by RON LIM**

Cover by BRETT BOOTH

An all-new mystery for America's favorite necromancer! The last year has been a non-stop rollercoaster ride for Anita Blake, and it's nearing Halloween — peak time when you raise the dead for a living. Now, the police need Anita's help investigating a vampire killing that left the victim with three unique sets of bite marks, despite the fact vampires are normally solitary hunters. The attack must be the work of a master vampire — and with only two in St. Louis, one being Jean Claude, Anita knows right where to start. Venturing to Jean Claude's Circus of the Damned, Anita is confronted by a group of shape-shifters, a new master vampire named Yasmine and a giant snake that might be a god! It's all-new, high-octane action in this entry into the beloved Anita Blake universe!

Cover by DAVE JOHNSON

The House of Ideas proudly presents Deadpool's historic, SUPER-sized, ACTION-packed 900th and 1,000th annuals! What...what?! Who cares! If this collection of octane-infused stories by some of comics' hottest creators doesn't make you want to gasp at the Alter of Wade, nothing will. Thrill as the Merc with a Mouth squeals off against probe-happy aliens, trigger-happy mimes, mimes from outer space, urban cannibals, underage hit men, one seriously unhappy fanman and Lady Luck herself! Wince as Wade bares his soul — and lots more — to a shrink who's got major squirrels in his own attic. Thrill as he travels around the globe and then some to settle a childhood bet. And Chili as C.S.I. investigators at a blood-splattered crime scene attempt to piece together why this particular "unsub" needed battery cables, Crisco oil, three stacks of adult magazines and a live chicken to pull off the hit. Plus: Steve Rogers has returned! Will Bucky Barnes, the current Captain America, go back to being the Winter Soldier? Are there others in line? We say again: Who cares! All we're interested in is who **WONT** be holding that Vibranium-faced hunk of junk. Who won't wield the shield? It could be not **YOU**!! (Featuring a special appearance by everybody's favorite under-used character, Deadpool! At last, Deadpool!) **HALO: BLOOD LINE TPB**Written by **FRED VAN LENTE**Pencilled by **FRANCIS PORTELA**Cover by **FRANCIS PORTELA**

The prospecting vessel *Long Time Coming* is more than your average explorer ship. Underneath the grit and grime, it's part of the Office of Naval Intelligence, and its crew and "prospecting equipment" are en route to the front lines. That is, until the ship encounters a strange phenomenon in slipspace that sends the vessel plummeting toward an unknown planet. But they're not the only ones shipwrecked on this world — a world that's more than just an anonymous hunk of rock. Critically acclaimed comics scribe Fred Van Lente (*INCREDIBLE HERCULES*, *X-MEN NOIR*) teams with up-and-coming artist Francis Portela (*BLACK PANTHER*) to bring you *HALO: BLOOD LINE* — a story of war, survival and, above all else, a family of Spartans who will never let each other down.
